REMARKS

25X1X

1. There were no aircraft or troops at the Borkheide (E 53/2 41) airfield. There were no buildings or installations, except for two settlement houses on the eastern edge of the field. Excavations, in which motor vehicles, fuel drums or guns might have been emplaced, were on the western edge. The landing field was overgrown with weeds, birch-trees, and pines. The field was not operational. Construction work was not in progress. *

25X1A

* Comment. The status of the airfield has not changed since 1948. There are no indications of intended reconditioning at the field. The landing field could be made serviceable within a short time.
